JUBILEE 350 RECEPTION CENTER
BOSTON CITY HALL

During Boston's Jubilee celebration, residents and visitors alike will be welcome to start their day at the Jubilee 350 Reception Center, open May 1 through September 30 daily at Boston City Hall. At the Reception Center, birthday cake, Jubilee 350 commemorative items, gifts for everyone, special prizes, tours of the city and entertainment on Stage 350 will be available each day.

All of Boston's institutions--cultural, business, civic, educational, historic, etc.--are invited to be an Official Greeter for a day. Many of the city's major organizations will be Official Greeters in May; each neighborhood will take a day in June; many important New England institutions will be hosts in July; each of Greater Boston's ethnic groups will be Official Greeters in August; and all of Boston's international institutions, including many of the consulates, will be our hosts in September.

Each Greeter has the opportunity to participate in Boston's birthday at the Reception Center by:

1. providing information about itself--brochures, fact sheets, possibly a small exhibit or display, etc.
2. providing two people to greet visitors and residents.
3. providing a "gift" for all visitors and residents which relates to your organization, on that day only, such as a tour; give-away items; special discounts; special events/activities; opportunities to meet interesting employees/members..or you may wish to provide free admission/tickets to cultural institution, sports event, etc.
4. providing one very special gift for two people to be drawn for as the Jubilee 350 Prize...all visitors may put their name and address into the Jubilee 350 "hat" and have a chance to win a special prize donated by each Official Greeter.
5. encouraging its employees/members to come to the Jubilee 350 Reception Center on "your" day.
6. if appropriate, providing food, or a performance or demonstration on the Jubilee Stage 350 on City Hall Plaza.

Jubilee 350 will publicize the Official Greeters each day and in its Calendars, thus thanking and saluting them for their contributions to Boston.

Please contact Carrie Snyder at BOS-1980 to reserve your day as a Jubilee 350 Official Greeter.
